PREFACE

The Baarlo Leeft! Foundation is proud to present you *Baarlo Steengoed!*

Thanks to the support of sponsors and donors and the help of many volunteers, we are able to offer you this unique event.

A special word of thanks also to the Province of Limburg and the municipality of Peel en Maas for their financial contribution.

INTRODUCTION

In three weeks' time, six international sculptors will 'liberate a sculpture from stone' (Michelangelo) in front of the public in the heart of Baarlo.

These works of art will be officially presented to the Baarlo community in 2019, in honour of the 800th anniversary of Baarlo. That's also when the sculptures will be given their final destination, scattered throughout the village.

We hope you enjoy your visit to *Baarlo Steengoed!*

The six sculptors who will create a work of art during *Baarlo Steengoed!*:

Leonard Rachita (France)

Radoslav Sultov (Bulgaria)

Karin van Ommeren (Netherlands)

Lien-Chin Hou (Taiwan)

Hiroyuki Asano (Japan)

Hans Reijnders (Netherlands)

PROGRAMME AND TIMETABLE OF BAARLO STEENGOED!

The sculptors will be at work daily from 9:00 to 18:00, with the exception of Tuesday 19 and Tuesday 26 June. These are their rest days.

During *Baarlo Steengoed!* there will be a large number of musical performances and workshops with primary schools and secondary schools from the region and the Maastricht Academy of Fine Arts and Design, in order to support the sculpture activities and to make your stay on the castle meadow more pleasant.
